Understanding the Entity and Its Environment 1669 internal control. The auditor's primary consideration is whether the understanding that has been obtained is sufficient to assess risks of material mis-

### **Understanding the Entity and Its Environment and Assessing**

A financial audit is conducted to provide an opinion whether "financial statements" (the information being verified) are stated in accordance with specified criteria. Normally, the criteria are international accounting standards, although auditors may conduct audits of financial statements prepared using the cash basis or some other basis of accounting appropriate for the organisation.
