PDF | How does an entity become a person? Forty years ago Carl Rogers answered this question by suggesting that human beings become persons through a process of personal growth and self-discovery.

**(PDF) On becoming a person - ResearchGate**

I rejoice at the privilege of being a midwife to a new personality - as I stand by with awe at the emergence of a self, a person, as I see a birth process in which I have had an important and facilitating part.

p.26 When the people around you know that you're a person of integrity, they know that you want to influence them because of the opportunity to add value to their lives. They don't have to worry about your motives. p.27 Trust is the single most important factor in personal and professional relationships.
