In the ongoing flux of life, (the person) undergoes many changes. Arriving, departing, growing, declining, achieving, failing – every change involves a loss and a gain.

Transition: understanding and managing personal change

Thinking outside the box (also thinking out of the box or thinking beyond the box and, especially in Australia, thinking outside the square) is a metaphor that means to think differently, unconventionally, or from a new perspective. This phrase often refers to novel or creative thinking. The term is thought to derive from management consultants in the 1970s and 1980s challenging their clients ...
