The left–right political spectrum is a system of classifying political positions, ideologies and parties, from equality on the left to social hierarchy on the right. Left-wing politics and right-wing politics are often presented as opposed, although a particular individual or group may take a left-wing stance on one matter and a right-wing stance on another; and some stances may overlap and ...

Conservatism is a political and social philosophy promoting traditional social institutions in the context of culture and civilization. The central tenets of conservatism include tradition, human imperfection, organic solidarity, hierarchy, authority, and property rights. Conservatives seek to preserve a range of institutions such as monarchy, religion, parliamentary government, and property ...

"The 2012 Global Peace Index is the sixth edition of the world's leading study on global levels of peacefulness. The GPI ranks 158 nations using 23 qualitative and quantitative indicators from highly respected sources, which gauge three broad themes: the level of safety and security in society; the extent of domestic or international conflict; and the degree of militarisation.
