Some people instantly make us feel important. Some people instantly make us feel special.

10 Ways to Develop Incredible Charisma (Yet Still Be Yourself)

Progress is the idea that advances in technology, science, and social organization can produce an improvement in the human condition, and therefore that entire societies, and humanity in general, can improve in terms of their social, political, and economic structures. This may happen as a result of direct human action, as in social enterprise or through activism, or as a natural part of ...

New institutionalism or neo-institutionalism is a school of thought that focuses on developing a sociological view of institutions—the way they interact and how they affect society. It provides a way of viewing institutions outside of the traditional views of economics by explaining why and how institutions emerge in a certain way within a given context.
